NICHOLS PORTLAND

Nichols Portland offer donation to South Portland

Portland, Maine., May 29, 2020 – Nichols Portland LLC, a leading provider of components (Powder Metallurgy & Steel) and pump assemblies utilized in various applications including fluid transfer, announced that they have made a monetary donation to the South Portland Food Cupboard in the amount of \$1,000.

Nichols Portland's CEO / President, Tom Houck shared the following comments, "On behalf of the entire Nichols Portland family, we made a donation to help struggling families during these unprecedented times. We are thrilled to partner with South Portland Food Cupboard to help "Feed Neighbors in Need". As we all work to get back to normal or accept the new normal, helping others is a great way to pay to forward whenever you can. There are numerous families without jobs, food, and other essentials. We hope our donation helps the greater Portland community."

About South Portland Food Cupboard

The South Portland Food Cupboard is a non-profit, volunteer-based food pantry dedicated to alleviating hunger. The cupboard organizes volunteers who are committed to the acquisition and distribution of food to hungry people throughout South Portland, Cape Elizabeth, Scarborough, and surrounding communities.

We strive to:

Serve our recipients with respect, dignity, and compassion

Provide each household with a week's worth of nutritious foods each month.

Offer recipients information and guidance to other community valued resources such as food stamps, clothing, and budget management, et
